SONNY HENDRIX

Troy's footballers under the leadership of Dr. Bill Clipson, began practice with unusual spirit and determination. After a month of practice they traveled to Demopolis to face Livingston and gave them a sound 25-6 licking. The Victorious Red Wave was led by Sonny Hendrix and Bobby Walker, the entire line performed well. Though the Red Waves were off to a good start with a team with a good starting eleven, and an inexperienced bench, injuries and lack of experience caught up, and slowed them down. The Red Wave finished the season with a 2-6 record. They should do a lot better next season with only six losses through graduation.

The Red Wave showed spirit all through the season and Coach Clipson and his assignments must be congratulated for a job well done.

BASKETBALL S. T. C.

As December rolled around the bouncing of basketballs on the hardwood reminded us that the cage sport had begun. Though the boys had been hard at work for over a month few of us realized that it was cage time once again.

The Red Wave opened the season by edging Florence 74-71 in a much heated contest. A few days later Troy proved its victory was no flunk, as they trounced Marion 101-56.

The Red Wave team, under the able guidance of Coach Leonard Serfustini, went through the season gaining respect and came up with a bid to NIAA.

As the season came to a close it found the Red Wave with an 18-7 record. During this course two records fell. Billy Strickland hit 33 against St. Bernard for points in one game record, and Dean Craig set the season scoring record, breaking Jerry Tillman's record of 320 points.

The team showed fine spirit and team work. Much credit must be given to Serf and his boys.
